Physical Description 1

"Darjeeling" is situated on high ground, overlooking Specimen Vale. It is an unusual and remarkably elegant house, the most distinguishing features being the refined scalloped fascia boards, the bay windows and the simply moulded timber verandah columns. The recessed side entrance results in an asymmetrical facade with prominence given to the bay windows and the concave verandah. The elevated position on the steep slope adds to the unusual presentation of this house.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
