Heritage Inventory (HI) Number

H7622-0417

Heritage Listing

Victorian Heritage Inventory

Hermes Number 12122

Property Number

History

Contextual History:History of Place:

Heritage Inventory History of Site:

The Ballarat Deep Leads and Mines, Geological Survey of Victoria 1:100,000 Deep Leads Map 6, sheet 1, published in 1992 by the Department of Energy and Minerals, Victoria puts the Magnum Bonum in this location. However reports in the Mining Surveyors and Registrars Reports of December 1864 describes the Magnum Bonum Co. at Derwent Jacks as having steam power, not a whim and horse puddler.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
