History

Heritage Inventory History of Site:

Aircraft crashed at the back of the Williamstown Rifle Range was salvaged and then dumped back into deep water.

The Vultee Vengeance was in service with the RAAF but not considered a successful plane and the orders for the last 58 were cancelled. Vultee Vengeance flying ended in 1946 although a few were retained in reserve until 1951. Twelve were sent to the Fleet Air Arm at HMAS Albatross for ground duties and fire fighting practice between 1948 and 1950.
