ROBERT STREET SEYMOUR, MITCHELL SHIRE

Municipality

MITCHELL SHIRE

Level of significance

Heritage Inventory Site

Heritage Inventory (HI) Number

H7923-0040

Heritage Listing

Victorian Heritage Inventory

Interpretation of Site	Heritage Inventory Interpretation: Local traditions consider the feature to be the remains of an historic wharf and associated with the early punts of the New Crossing Place. There is no evidence for a wharf superstructure on the pylons. It is more likely that the pylons were erected as a form of erosion stabilisation of the riverbank.
