Heritage Study/Consultant Ballarat - Ballarat Conservation Study, Jacobs Lewis Vines Architects, 1978;

Hermes Number 123588

Property Number

Physical Description 1

This simple timber cottage is an intact and ornate example of this style of housing .. The main section of the house consists of transverse gables ,which terminate in ornate timber barge boards, fretwork panels with trefoil designs and turned timber finials. The street facade is of the type found on many cottages with. a central door and flanking windows. The verandah has an ornate frieze incorporating a fan type pattern with central drop pendants and supported on fan patterned brackets .

Intactness

INTACTNESS: substantially intact

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
