Heritage Study/Consultant Ballarat - Ballarat Conservation Study, Jacobs Lewis Vines Architects, 1978;

Hermes Number 123593

Property Number

Physical Description 1

This brick residence would appear to have been built in the 1890's and is of interest for the intact, ornate cast iron of the return verandah, gracious proportions, and cast iron palisade fence on a bluestone base, and an ornate cast iron gate. The building is generally in original condition and is a pleasant example of this type of building in Ballarat.
