## Physical Description 1

The utilitarian building comprises stone walls and a corrugated iron roof, formerly 'shingle. King post trusses and flat bracketed timber columns comprise the structure internally. A fence and brick out building - complete the setting. An earlier photograph show a rear two storey timber section which has since been demolished. The Brewery is now being rejuvenated for a residence.

*This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.*
