Physical Description 1

The Trafalgar War Memorial is situated in front of the former Narracan Shire Offices facing the Princes Highway. Constructed of granite, this memorial comprises a soldier standing at 'reverse arms' on a small entablature, which is supported by four columns set on a square base. At the front of the base is engraved the dedication of the memorial to those who gave the 'supreme sacrifice'. Originally, this was for First World War only, but an 'S' has been added to the final sentence to refer to the 'Great Wars', and the dates of the Second World War added below those of WWI. Below this a small plaque which provides an additional dedication to those who served in subsequent conflicts including Malaya, Borneo and Vietnam. The names of key conflicts in WWI are engraved into the cornice on each side of the entablature, while the names 31 locals who gave the supreme sacrifice are carved in each side of the base.
