Veterans Description for Public

The Drysdale Drill Hall located on Granville Street is made from timber. From the period 1884-1901 militia orderly rooms were built by the Victorian Public Works Department and were universally of timber and of similar design. The seminal examples of this era are Ballarat, Bendigo, Castlemaine, Portland and St Kilda which are all to the design of the PWD architect Samuel Bindley.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
