Statement of Significance

Last updated on - November 29, 2002

Site has limited ability to provide information about gold mining era. Local cultural heritage significance.

Interpretation of Site	Area was used for gold mining from 1850s to depression era 1930s. Gully and shallow excavations are numerous but a square shaft was identified. Most of the refuse (bottles etc) appears to post date 1920s, mainly dating from 1930s and 1940s.
