History

Land was first occupied in this area by the Clyde Company who worked a large pastoral run in 1848. A portion of this run was licensed to James Bruce in 1849 and named Bruce's Creek Run. Bruce built a house on the western side of the creek.

Peter Sharp acquired the run in 1851, operating it until the 1890s when the area was sub-divided and the town of Bannockburn was built.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
