History

This allotment is shown to have been purchased by J West. Solomon West (brother) built his house on allotment 101. As John West was the first to establish the chicory industry on Phillip Island this kiln is likely to be one of the earlier structures on the island.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
