Statement of Significance

Last updated on -

The site is a farm and house site that may be useful in interpreting rural life in Epping in the past. The site has local significance and considerable research potential.

Interpretation of Site

The ruins are likely to be a homestead or site of a farm. The paved areas, cement platform and drain may be remnants of a dairy, piggery or early stable. The dairy industry was prevalent in the Epping area in the historical period.

Property Number

History

The grantee of the land was M Skehan in 1853 for a total of 158 acres. The land was quickly sold to W Jarrett

(1853) before passing to the Butler family who held the title from 1861-1896. Subsequent owners - E McLaughlin purchased 1896, MS Mack (nee Houston) 1913; HJ Hehr purchased 1942 then SM & CR Brykman purchased land in 1978. The age of the farm house unknown. Further research is required.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
