Statement of Significance

Last updated on -

Highly significant as it contains extensive in situ archaeological deposits relating to the former dwelling, Glencairn House, and its occupation during the 1860's. The site is in good condition and could potentially yield significant and accurate information relating to the areas former rural use as well as its historic past.

Interpretation of Site	Site could represent the location of Glencairn House owned by M. Holmes and occupied by R. Mountjoy during the 1860's. The site has the potential to contain several brick and stone structures, pathways, supported the presence of extensive domestic artefact scatter.
