Statement of Significance

Last updated on -

Moderate scientific significance, local historic significance. High potential for further archaeological deposits.

Interpretation of Site	Structural remains probably related to Miss Allwinkle's weatherboard house. The lack of regularity in alignment of postholes may represent either a makeshift addition to the home (shed or verandah etc) or the overlapping of the remains of two former structures. Further testing required.

History

Area is part of the earliest settled pastoral runs in Pakenham. Site is location of former Miss Ruby Allwinkle's weatherboard house (c1900). Site is also a registered AAV site (#7921-0653) due to one flaked stone artefact found in Transect 3.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.

For further details about Heritage Overlay places, contact the relevant local council or go to Planning Schemes Online <http://planningschemes.dpcd.vic.gov.au/>
