Statement of Significance

Last updated on - September 8, 2005

Possible archaeological deposits on former seabed and under prograded shoreline from use of moorings. Socially significant to the Queenscliff fishing community.

Interpretation of Site Sits probably lie under the current prograded shoreline

Hermes Number 14113

Property Number

History

Approximately 20 fishermen's moorings are shown in a 1920s plan for this area to the north and south side of the Fishermen's Pier. These moorings were used seasonally by the fishing community to anchor their cuta boats.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
