Maroondah City

Statement of Significance

Last updated on -

Two surviving mileposts, once common highway street furniture, now apparently unique in the municipality (no others being known), probably erected between World War I and the late 1960s. Historically significant locally as physical evidence of government action to facilitate traveller's experience.

Heritage Study/Consultant	Maroondah - Maroondah Heritage Study, Richard Peterson Architect & Conservation Consultant, 2010;

Physical Description 1

Two reinforced concrete roadside markers, once common, indicating the distance in miles (1.6 kilometres) from Melbourne, in this instance, 17 miles (27 kilometres). It is painted white with graphics embossed in black with a black base, its section triangular with a bevelled top, which indicates the initial letter of the destination.

Intactness

Excellent.

Physical Conditions

Excellent.
