Statement of Significance

Last updated on -

An Italianate brick cottage built in c1895. It is historically significant locally as a representative embodiment of family life in late nineteenth century Ringwood. It is architecturally significant as a rare example of an inner urban cottage type in a rural settlement location. Its significance is increased by its situation within a small group of the period, and particularly its proximity to No. 18 Wantirna Road (HO67).

Heritage Study/Consultant	Maroondah - Maroondah Heritage Identification Study, Richard Peterson with Peter Barrett, 1998;

Property Number	

Physical Description 1

An Italianate, single-fronted brick house, with a hipped roof. The brickwork is Flemish bond. Frieze brackets at the eaves are turned spindle ogee profile. The brick chimney has dogtooth corbels at top. A Victorian four-panelled door survives.

Intactness

All brickwork is painted. The fence is not appropriate.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
