Victorian Heritage Inventory

---

Interpretation of Site	This site may represent the remnants of a stone enclosure for animals or equipment. All basalt boulders are similarly weathered indicating a single phase construction.
Archaeological Significance	Some wire visible under some boulders. Excavation may reveal the presence or absence of sub-surface cultural material and/or related features.
Hermes Number	149796
Property Number	

---

## History

Yaloak Estate was part of two squatting runs in the 1830s and has been continuously used for grazing and cropping to the present.

*This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.*
