Greater Geelong City

Statement of Significance

Last updated on -

C Listed - Local Significance

The building is significant for the unusual decorative stucco on an early building form. It is of local significance.

POLICYRECOMMENDATIONS GRPS

A more sympathetic wall treatment where the tiles are now, and contrasting lead advertising signs would greatly enhance the character of this building.

Physical Description 1

This building is set close to the street frontage and has a hipped roof clad in corrugated iron. It has no eaves and is faced with decorative plaster work except where a later facade of tiles, large windows and a cantilevered verandah has been constructed.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
