## Physical Description 1

"1515 High Street appears to have originally been built as a single large commercial property and subsequently redeveloped as two, smaller tenancies. This simple, two-storey building is constructed of red brick with contrasting clinker bricks to first floor windows and parapets. Arches at the entry and ground floor windows appear to be remnants of the original shopfront as does the timber framed verandah."

*This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.*
