Physical Description 1

"This two-storey building is constructed in red brick with sparse, but elegant, detailing. The first floor facade features a central group of windows with leadlight and an awning of red terracotta tiles which is framed by subtly expressed brickwork pilasters and parapet capping. The ground floor has been entirely remodelled in glass although the verandah appears to be original."

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
