## Veterans Description for Public

The Balmoral War Memorial Wall is located at the intersection of Coleraine Road and Bell Street next to the Memorial Obelisk. It is constructed from light brown textured concrete bricks ('Besser Bricks') with two panels of perforated concrete blocks set into the wall. In front of the wall is a metal flagpole painted red, white and blue and a rose garden. These memorials were erected after each of the World Wars by the people of Balmoral as a tribute to those who served and those who fell in each of the great wars.
