Veterans Description for Public

The Yarroweyah Memorial Hall is located on the Murray Valley Highway and Gooley Street. After World War One and Two, memorial buildings were erected in towns and suburbs across Australia in memory of those who fought and died. One of the most popular types of building was the memorial hall. In some cases memorial halls were

built instead of war memorials. Memorial halls typically house honour roll(s) which display the names of local servicemen and women. After their construction memorial halls became important venues for local activity and many are still in use today. Their story is a central part of these communities' histories.
