Physical Description 1

DESCRIPTION

The two storey stuccoed former hotel is in two parts, separated by an entrance. A second entrance is on the angled corner with a small balcony above. Windows are arch headed double hung, and casement with leaded glass fanlights above. A Photograph taken in 1907 shows the Globe Hotel as a face brick building before the stucco render was applied. String courses and some arch-headed mouldings decorate the present facade.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
