Description

A double-fronted timber Italianate house, with a hipped roof, the left bay set forward. The verandah in the angle returns to a wing projecting at rear right. Chimneys are plain, with corbelled tops. The eaves have a most unusual valance in ogee arched fretwork with oculus vents over ogee spindle brackets.

Windows are pairs, with architrave moulds and panel and rondel decoration. There is a rockface stone base. At right on the verandah is a cast-iron lace and coloured glass screen. Verandah posts are square Doric timber. The entrance has ruby side and fan lights with four-panelled door.
