Physical Description 1

DESCRIPTION

A Brick building with a hipped roof covered with corrugated iron. It has a verandah which appears to be a later addition. The side wall has been covered in rough cast and the bricks at the front have been painted. The wire fence and hedge were probably added in about 1920.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
