### Physical Description 1

The Gong was reserved for the Buninyong Gardens in 1861, and was earlier described as springs and tea tree. This important site is fed by ground water springs and became an important water source for miners, and later was used to fill the public baths.

*This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.*

*For further details about Heritage Overlay places, contact the relevant local council or go to Planning Schemes Online <http://planningschemes.dpcd.vic.gov.au/>*
