## Physical Description 1

This is a hipped roof doublefronted cottage, the walls of which having been apparently stuccoed over a timber base. The siting is typically on the street alignments, although the fourpane door looks later than the 1860s date, given its deep mouldings. The chimneys are brick with corbelled tops. External Integrity Chimney brickwork painted, presumed fence replaced. Streetscape Similar in scale, form and siting to 31 Balliang Street and Yarra Street. Contributes to precinct 11.1.
