## Physical Description 1

### DESCRIPTION

This is simply, a gabled roof and verandah weather boarded cottage sited close to a narrow service lane frontage. The main roof is of slate and the verandah roof, a convex profile, in corrugated iron. Old plans show a detached outbuilding in the site's south-west corner, which may be Wall's workshop.

### EXTERNAL INTEGRITY

Verandah details altered and a new fence erected.

### STREETSCAPE

Sited in Urban Area and Edwardian and Victorian era residential precinct, this house is identifiable as from the first government subdivision. The unusual 3 Davison Place appears to be also old but altered
