Archaeological Significance	Surface Gully has the potential to yield information on one of Victoria's most significant 19th century events.
Historical Significance	Moliagul was associated with one of Victoria's main 1850s gold rushes
Hermes Number	186062
Property Number	

History

Surface Gully was opened during the early 1850s as part of the gold rush to Moliagul. Like the other gullies in the area, once it was deemed 'worked out' by the authorities, it was made available for larger claims and more extensive methods of alluvial mining - puddling machines and sluicing

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
