Statement of Significance

Last updated on - April 5, 2013

Assessed by Context Pty Ltd in 2012:

Nice brick Edwardian villa which is largely intact, but not of the architectural quality to be individually significant. There is a row of pretty intact Edwardian villas (brick & timber) on this part of the street which could form a possible precinct (33-51 & 44-50 Chaucer Crescent).

Not recommended for an individual Heritage Overlay.
