T12213 Eucalyptus regnans

T12213 Eucalyptus regnans

Location

Cnr. Granton and Kalatha Creek Roads,, TOOLANGI VIC 3777 - Property No T12213

Municipality

MURRINDINDI SHIRE

Level of significance

State

Heritage Listing

National Trust

Statement of Significance

Last updated on - March 1, 2022

What is significant?

Outstanding size

Curious growth form

'The Kalatha Giant' is approximately 400 years old, and is currently one of the largest living trees in Victoria. It bears a very old fire scar at its heavily buttressed base (possibly from 1851 fires) and is hollow all the way up its trunk to where the top is broken off. Nevertheless, is it in good health for a tree in the over-mature stage

Measurements: 23/11/2013

Circumference (of trunk at 1.4 metres above ground level): 16 metres

Height (m): 73

Spread (m): N-S 31.7; E-W 26.3

Estimated Age (yrs): 400+

Condition: Good

Access: Unrestricted
Classified: 05/03/2014
