## Statement of Significance

Last updated on -

Contribution to landscape  
Outstanding example of species

This is an outstanding example of an *Angophora costata* that occupies a prominent position on a property at the corner of Jetty Road and Eastbourne Road. It has beautiful balanced shape with the largest spread of any on the register and is an unusual example of such trees in the area. It bears creamy white flower clusters in Spring and makes an important contribution to an urban landscape.
