## Statement of Significance

Last updated on -

Not Significant- Newtown West Heritage Area

### History/Notes

A house appears to have been built at 17 Upper Skene Street in 1927 for Rae Hume. In 1950, it was occupied by Alfred N. Moody, a railway employee. The existing dwelling appears to have been built in 1962 for T.H. and I.W. Dunn, having replaced the original house.
