Statement of Significance

(Internal inspection required)

Externally, it is a perceivably old warehouse form with traditional rearlane siting which complements that of Daniels store, but it is altered in detail. It is among the few visible basalt 19th century structures in Geelong.

Description

DESCRIPTION

A gabled-roof coursed basalt rubble warehouse which has been designed in a similar manner to the store behind 186 Moorabool Street, but without the fine detailing and high external integrity. Openings at the upper-level and one ground-level openings at the upper level and one ground-level opening appear generally unaltered but changes have occurred to the other two.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
