History

According to historic plans from 1855 onward, the site has had a variety of functions and uses related to domestic life, timber processing and distribution, and commercial use. The site has a high potential to contain historical archaeological deposits, features and artefacts associated with these mid-19th to early 20th century activities.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
