What is significant?

An English Elm located at 44 Beleura Hill Road, Mornington.

How is it significant?

This English Elm is significant at the Regional level for contribution to landscape, size, and location.

Why is it significant?

This specimen is a significant example of an English Elm on the Mornington Peninsula, one of the few in the area. There are no other English Elms on the register on the Mornington Peninsula. This tree is notable for its size and shape, and contributes to the landscape of the neighbourhood.
