Statement of Significance

Last updated on - April 5, 2023

What is significant?

The site comprises a historic marker and interpretive signage commemorating the discovery of Gold in Ararat. The site contains a series of shafts that are believed to be from the discovery event.

How is it significant?

The site is of historical, social and archaeological significance.

Why is it significant?

The site has the potential to provide information about the beginning of the Gold Rush in Aararat

Interpretation of Site Guessing but assume mine shafts established in 1850's, stone monument added sometime later and the interpretative signage added in early 2000s.

Hermes Number 209515

Property Number

History

Assuming the interpretative signs were placed in the early 2000s (Gold 150) and the monument being there a lot longer.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
