Statement of Significance

Last updated on - July 20, 2023

What is significant?

A historical stand of two California Pine trees on the corner of Monash Way and 3 Balfour Place in Churchill.

How is it significant?

This stand is significant for historic reasons at the Regional level.

Why is it significant?

The stand is significant for historic reasons as it is associated with an important person. The trees were planted in 1901 by John Flynn (Flynn of the Inland) while he was a temporary head teacher at Hazelwood South State School in Churchill. John Flynn was a pioneer of the Royal Flying Doctor Service of Australia.
