LOCAL SIGNIFICANCE - INCLUDED IN HERITAGE PRECINCT

Apart from the ground floor of the front facade the buildings and accompanying sheds have an excellent degree of integrity. It was built for the well known Geelong grocer, Lloyd Hooper and is one on the earliest of his stores. It is of local significance.

POLICY RECOMMENDATION: GRPS - A more sympathetic ground floor front facade and careful removal of the paint from the brickwork would greatly enhance the character of this building.

## Physical Description 1

In 1872, on the north-west corner of Aberdeen and St James Street there stood a three roomed brick building. Mrs James was the ratepayer. And in the following year Lloyd Hooper is listed as the ratepayer of a two storey brick shop and four bedroom cottage.

However Gladys Seaton noted that; in January 1887 Hooper announced that he has sold the business he had constructed for twenty years to Arthur Morris who described himself as a family grocer and wine spirit merchant. Morris was still there in 1890-01 but not in 1905-6 when Lloyd Hooper was back in his old store. In the 1920's this was Mary Hooper's. After Mary Hooper's marriage to William McRorie the business was listed in his name. The 1916 Directory lists Lloyd Hooper and William McRorie and grocer as occupants. It is not known when the gabled storage sheds were built. It is currently used as a bottle shop.
