Statement of Significance

Last updated on -

A Listed - State Significance

STATEMENT OF SIGNIFICANCE - GRC - HISTORIC PLACES DOCUMENTATION SHEET NO. 6

The Bucyrus Steam Shovel at the Batesford Quarry of the Australian Portland Cement Works commenced work at the Mount Morgan Mine in Queensland in September, 1903, having been imported from the manufacturer's plant in the U.S.A.

The 65 ton shovel was purchased by the Australian Portland Cement Work after 1923 and brought to Geelong.

The machinery is one of few surviving steam-powered shovels in Australia, and on great significance to the history of industrial archaeology in this country.

RECOMMENDATIONS: PROTECTIVE MEASURES

Geelong Regional Commission Registers.
