HO144 Burke Road Precinct, Camberwell/Hawthorn East

The Burke Road Precinct, Camberwell/Hawthorn East, is an area of heritage significance for the following reason:

- The stretch of residential development on Burke Road hill (south of Camberwell Junction) combines small numbers of Victorian and Federation houses with a series of interwar residences and flat blocks. These are interspersed with later development including undistinguished buildings of post-WWII period. The area has retained a consistent residential scale, despite being adjacent to a major retail and business centre and on a major road.
