Statement of Significance

Last updated on -

What is Significant?

The house, constructed in 1907, at 8 Stevedore Street, Williamstown.

How is it Significant?

The house at 8 Stevedore Street, Williamstown is of local aesthetic significance to the City of Hobsons Bay.

Why is it Significant?

Aesthetically, it is significant as a locally rare and relatively late example of an asymmetrical Italianate villa constructed in brick. (AHC criteria B2 and E1)

Heritage Study/Consultant Hobsons Bay - Hobsons Bay Heritage Study, Hobsons Bay City Council, 2006;

Hermes Number 22257

Property Number

Physical Description 1

The house at 8 Stevedore Street, Williamstown is a single-storey, detached, tuck pointed red face-brick asymmetrical late nineteenth century or early twentieth century Italianate villa, with a hipped slate roof, set back diagonally from its street boundary by a garden. Other significant original elements include:

- The distinctive asymmetrical Italianate form
- Canted bay window
- Paired double-hung sash windows
- Rendered chimneys with moulded caps

Non original but sympathetic elements include:

- The timber post verandah with cast iron valance and convex-profile corrugated galvanised steel roof is not original.
- The timber picket fence and lych-gate.

Integrity

External Integrity and condition

Integrity - Moderate. Condition - Good.

Physical Description 2

Context

One of a number of Victorian era dwellings, which are now interspersed amongst later development along Stevedore Street.
