## Physical Description 1

This house on this site, at the south east corner of Park Road and Lisbeth Avenue has been demolished. It was described in the Doncaster & Templestowe Heritage Study 1991 as follows:

'Situating on a very large allotment, "Urara" is a single storey, double-fronted, 1950s L-shaped red brick house. It has a terracotta tiled hipped roof, and there is a contemporary tennis court and swimming pool. There are mature plantings and bush remnants. 'There is also another early timber house, possibly 1930s, behind the garage.'

The site is now developed for nine house that face onto Parkhill Court, which runs off Lisbeth Avenue.
