Physical Description 1

An orange brick and low pitch roofed house in apparently a basilican plan with a clerestory. This is fragmented by a pergola over the central entry courtyard and angled walls. There is a carport in the entry, under the roof pitch and supported on pine poles. It is now stained fawn. There is a fine lemon scented gum tree at the entry.

Other Reid-designed houses, particularly 72 & 74 Macedon Road, McLachlan Street and Fairfield Avenue are comparable.
