Physical Description 1

This is a small Edwardian, fibrous cement-clad timber house, with a right-hand side skillion and a gable roof facing the street. The gable is fronted with a minor gable-roofed porch, decorated with roughcast and fine, sinuous curved, Art Nouveau influenced, fretwork valance and brackets.

There are triple posts at corners, with a balustrade. The windows have nine-paned upper sashes, and there is a contemporary timber outbuilding. Some minor modifications have been made, and the house is in fair condition.
