Statement of Significance

Last updated on -

Of regional significance. The house exemplifies the creative contribution of Alexa Goyder to the innovative building, design and construction traditions in Warrandyte, and, given her associations, her work is likely to have had far wider influence.

Physical Description 1

An elevated, double-storey, double fronted sandstone random rubble house with timber additions.

It has a flat steel deck roof and vertically proportioned windows. There is heavy deciduous planting around the house, and much of it is obscured. The building has been recently repainted and appears to be in excellent condition.
