## **Statement of Significance**

Last updated on -

Of local significance as the 1890s home of William Cronan, gardener and farmer, with additions made during the First World War years for Michael Power, orchardist, Tiffany Heights is a rare relatively intact example of the small cottages built in Wonga Park in this period, and provides evidence of farming life. (Criterion B2, D2, H1)

## **Physical Description 1**

Tiffany Heights is a Victorian timber cottage. The front is symmetrical and double-fronted, with sash windows and a central door, each with side-lights. There are two hip-roofed sections and a rear skillion. It has paired eave brackets and a later Edwardian verandah.

The cottage is set within mature plantings.
