## Statement of Significance

Last updated on -

The Algerian Oak at Heide, Templestowe Rd, Bulleen is of state significance primarily due to its connection to the Heide I house and its owners John and Sunday Reed, but also because of its large size, magnificent spreading canopy and good form.

**DBH:** 1080mm

**Approx. Age of Tree:** 70 years

**TPZ:** 12.1m **CRZ:** 3.3m

Category of Significance:

Location or context

Outstanding size

Aesthetic value

Historic value

**Level of Significance:** State

**History:** In the garden of the Heide I house; original Bulleen home of John and Sunday Reed, patrons of Australian artists such as Sydney Nolan, Albert Tucker, Arthur Boyd and Joy Hester. The Reeds were responsible for the planting and layout of the garden which was basically a treeless site when they purchased it in 1934. Sunday Reed in particular was a keen gardener. This tree was purchased at Nobelius Nursery in Emerald and planted by John Reed in the mid 1930's.

Health:

Pests/Diseases

Dead wood

Stress

Leaf necrosis

Low foliage density

**Other/Notes:** Tree has a low canopy density with some deadwood present; there is also some leaf miner present.

**Health Rating:** 2

**Threats/Risks to Tree:** Tree is susceptible to drought stress as well as compaction due to foot traffic from the public.

Hazards/Risks:

V-crotched

Other

**Other/Notes:** No apparent hazards/risks present at time of inspection

**Structure Rating:** 1

Existing

Overlay Controls:

Heritage Overlay (HO160), Environmental Significance Overlay (ESO1), Land Subject to Inundation Overlay (LSIO)

**Recorded by:** Andrea Proctor

**Date:** 24-01-05

**ID Confirmed:** Andrea Proctor
